acquisition fund

An Acquisition Fund for the procurement of artworks was established for the Swan Hill Regional Art Gallery in 2013.

Donors to this fund can be assured that their gifts will be directed solely towards the acquisition of artworks that will enhance the already significant Swan Hill collection.

Your donation will enable us to acquire outstanding works, further building on our growing collection.

All donations are tax deductible.

SUPPORT US

First established in 1966 and located on the Paddle Steamer "Gem", the Swan Hill Regional Art Gallery in its new location, has grown in both size and in the services it provides.

A key asset for community and visitors is the growing collection of artworks permanently housed in the gallery, the focus of which is post 1970s Australian prints and drawings, and Australian naïve art.

Our aim is to continue to grow this collection with relevant, challenging, and inspiring works that are reflective of our times.

You can support the Gallery in a number of ways.

By becoming a member of the gallery, you will receive a range of benefits while providing crucial support to the Gallery's extensive programs and activities.

You can also donate to the Acquisition Fund, helping the Gallery acquire significant works of art.

You can apply for membership or make an Acquisition Fund donation using the attached form.

Donations can also be made to support the biennial Swan Hill National Print and Drawing Acquisitive Awards, the Gallery's premiere event with a well-established national reputation. Please contact the Gallery if you wish to support the Awards.
